

Michael Pollit

Associate

Topping Partnership, Chartered Accountants

Michael Pollit joined the accounting profession in 1980 and is a part-qualified chartered accountant.

From 1980 to 1987 Mr Pollit worked in general practice. In 1988 he joined the firm of *Frenkel Topping* specialising in litigation support. In October 2001 the name of *Frenkel Topping* was changed to ***Topping Partnership***.

Over the past 18 years Mr Pollit has been involved in more than 1,500 cases, involving losses resulting from personal injury, fatal accidents, business interruption, commercial disputes and professional negligence. The majority of these cases have involved claims for loss earnings/profits resulting from personal injury ranging from relatively small to multi-million pound claims.

The timescale for the production of reports is normally within four weeks of the relevant financial information etc being made available. Charging is on the basis of the number of hours incurred and hourly rates.
